

TOUCH-A-TRUCK EVENT SUMMARY

About the Event

The consultant team attended the Touch-A-Truck event organized by the City of El Campo on May 11, 2024. During this event, the team advertised the project and distributed flyers to create awareness about the project and encourage people to participate in the online survey and visit the project website for regular updates on the project. The team also gathered feedback through interactive boards and comment cards. The feedback is summarized in this report.

Photos from the Event

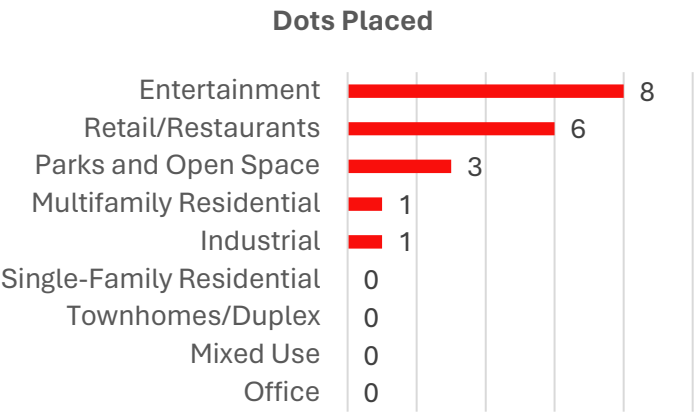

Interactive Board Feedback

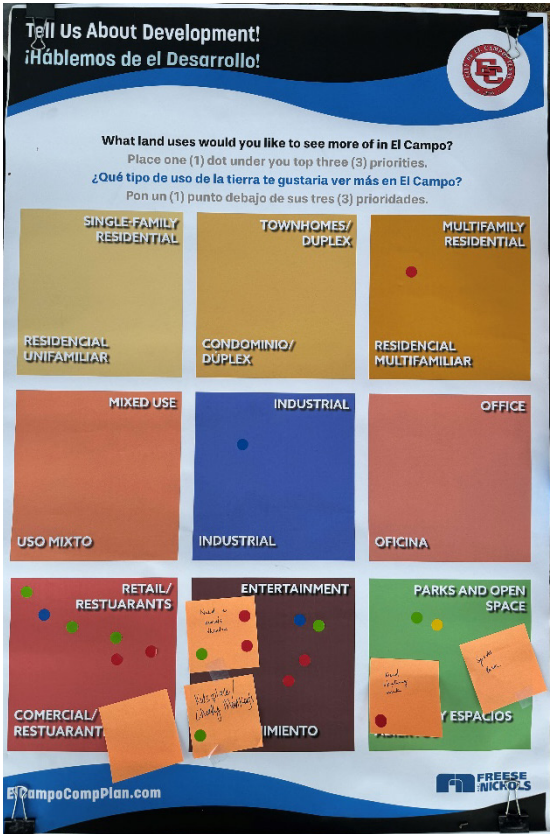

Interactive input boards were displayed during the event to inform and gather feedback from the community regarding issues and opportunities for El Campo. The feedback received is summarized below.

Tell Us About Development

Participants placed one dot under the types of development they would like to see in El Campo. The figure and table below summarize the responses received.

#	Additional Comments
1	Need a movie theatre
2	Need kid's place/Cheeky Monkey's
3	Need a skating rink
4	Need sports park

Additional Comments

The following additional comments were received during the event.

#	Additional Comments
1	Need more restaurants other than Mexican food and fast food
2	Need more kid-friendly places
3	Need more family-friendly activities
4	Improve existing apartments. The community is unable to afford the apartments being built outside the loop.
5	Need more activities for teens and younger kids.
6	A lot of restaurant turnover
7	Like the small-town charm
